Protest To Congress Sent From Durham Over Reported Condition in Utah

(By Associated Press.) Washington, May 29.—A petition from citizens of West Durham, N. C., protesting against the reported existence of polygamy in Utah was read in the senate today by Senator Overman. It drew from Senator Sutherland a denial that the members of his state now practiced plural marriage. "Polygamy" said Senator Sutherland, "has been absolutely abandoned in Utah and has not been practiced for many years. There are still some old people who entered that relation many years ago, who still maintain their households."

DE PALMER AFRAID OF HIS ENGINE

Won't Run in the Indianapolis Speedway On Account Of Faulty Mechanism

(By Associated Press.) Indianapolis, May 29.—Automobile racing enthusiasts, who are arriving at Indianapolis by the thousands tonight are bemoaning the fact that Ralph DePalma will not start in the fourth annual 500 mile automobile race here tomorrow. DePalma said that his car vibrated so much that his engine would not stand the terrific strain of 500 miles.

DePalma's place in the race will be taken by Gil Hooley, in an Italian car, thus making six nations—the United States, France, Great Britain, Germany, Belgium and Italy, contending for the prizes, totalling \$50,000, in addition to a number of special prizes offered by accessory concerns.

The betting favors Goux, winner of last year's race and his team-mate, Talbot. Other noted drivers who will start are: Oldfield, Wilcox, Tetlow, Guyot, Dury, Burman, Wishart, Eragg, Mulford, Anderson, Dawson, Fredrich and Gran.

ROASTING THE C. & G.

The Greenville Piedmont gets so peevish. If it was on branch lines of railway what would it say? Just listen at this: The train leaving Columbia yesterday afternoon at 7:10 o'clock over the Columbia & Greenville railroad was a disgrace to the Southern railroad. The cars would not have been fit to use in negro excursion much less first class cars. A vigorous kick we understand, was made to a Southern official in Columbia about the train by a passenger but without any satisfaction. It is to be hoped that the Southern will never again send such a train out on the C. & G. division.

Suffragettes After the King.

(By Associated Press.) London, May 28.—Windows in Buckingham Palace were smashed last night by suffragettes, it was learned today. Two militants evaded the sentries outside the palace, entered the quadrangle and began hurling stones. Two windows were smashed before the women were seized by sentries. The women were taken to the palace police station, where they gave their names. The master of the royal household refused to prosecute them and they were released.

At a meeting to the women's Social and Political Union tonight when Mrs. Mansell told what the two women had succeeded in doing, the audience burst into cheers. The suggestion that the queen must be horrified at the treatment meted out to imprisoned suffragettes was received with loud cries of dissent.

Miss Barbara Wylie, alluding to the raid on Buckingham palace, said that "Red Thursday" would have resulted more widespread than has been seen. One result certainly would be that the women would become more and more determined to ease off their chains, hold up their heads and how down neither to the government nor to the king, she said.

A SUMMER FROCK DANCANT.

Even when the summer days grow warm the craze for dancing is not to subside, say the prophets of style. A dance frock like this will fulfill all the requirements. A simple under part of blue tango craps makes a cool foundation, while the blouse and tunic of tulle and lace give the note of sheerness that is needed for the tango gown. Yellow roses outline the tunic.

TANGO PETTICOATS.

Hand embroidered, nainsook something makes handsome petticoats, with lace inserts. A silk model of a petticoat has a full length ruset of silk jersey at every seam, which gives with the wearer's movements, and yet the garment clings closely to the figure. Tango petticoats are of the fine crepe de chine, with a side plaited ruffle of chignon bordered with tiny flat roses.
